

CAPABILITY STATEMENT

EXPERTISE

Winsted is the worldwide leader in control room console solutions. We create attractive, ergonomic consoles that work with your operators to improve comfort and optimize efficiency. We offer stock, customized and custom control room consoles for a wide range of applications. Whether you are building a state-of-the-art control room from the ground up, or simply need to upgrade your operations, we can provide the ideal solution. Our experts combine the disciplines of industrial design, ergonomics and interior design to create solutions that are both efficient and eye-catching. We give special consideration to the ergonomic requirements of your operators to build consoles that reduce fatigue, improve productivity and inspire. Our commitment to customer service is second-to-none and your satisfaction is guaranteed.
