PROJECT PARTNERSHIP

FAPS

Winsted has provided quality technical furniture to professionals in the broadcast, video production, security, traffic management, public utility, and information technology industries for over fifty years. The foundation of our success has been innovative products backed by customer service and an enviable record of shipping 90% of all stock orders in less than 24 hours. **It's a philosophy of complete support…before, during, and after the sale.**

ODAWA CASINO

PROJECT PLANNING SUPPORT
We work with you! You don't have to make your project fit our support.

WINSTED WILL:
- Provide Stock, Customized, and/or Custom Design Suggestions.
- Provide CAD Drawings based on your electronics and your room specifications.
- Review your Design, Drawings, and Parts List to eliminate mistakes.
- Email Designs, Drawings, Renderings, and Animations – providing the fastest design turn-around time in the industry.

MYSTIC LAKE CASINO

PROJECT EFFICIENCY
We enhance your Winsted experience with convenient extras.

WINSTED WILL:
- Provide free WELS Design Software. This Winsted-exclusive interactive design tool makes console design faster, easier, and more accurate. WELS lets you use Winsted components to create design solutions that meet/exceed your needs.
- Provide CAD files to expedite the Design Process, Drawings, Parts List, and Cost information.
- Provide a Bid Registration number that tracks information across our internal systems.
- Provide Procurement Specs by print and/or electronically.
- Provide Presentation Renderings and/or Animations on special projects.
- Be available on-site, if necessary, for final project presentations.

NORTHEAST UTILITIES

STILLWATER PRISON

PROJECT FOLLOW-UP
Our support doesn't disappear once the sale is complete.

WINSTED WILL:
- Maintain our in-house inventory providing an on-time advantage to your project.
- Handle any/all freight issues and/or damage claims.
- Provide local/national presence at installation to get you up and running.
